RUGBY FOOTBALL AT CAMBRIDGE.

[FROM A CAMBRIDGE CORRESPONDENT.]

On Wednesday evening, October 23rd, a meeting of Old Rugbeians was held in Mr. E. M. Ward's rooms, at Trinity. Upwards of forty Old Rugbeians were present. Mr. C. E. Tritton (Trin. Hall) opened the proceedings by proposing that Mr. E. W. M. Lloyd (St. John's) be the President of the Rugby Football Club, and that he do take the chair accordingly. The motion being carried, Mr. E. W. Lloyd proposed Mr. J. E. Lloyd (Trin. Coll.) as Secretary; and Mr. Neild proposed Mr. Tritton as a member of the Committee. Mr. E. W. M. Lloyd then proposed that the following gentlemen's names be added to the Committee—Messrs. C. W. Neild, T. Buckmaster, and L. W.

Novelli. Mr. W. Lee Warner seconded the motion, which was carried *nem. con.*

On the question being put whether Football should be played on ce or twice a week, there was a large show of hands in favour of the latter.

Mr. E. W. M. Lloyd then proposed that there be a match every Tuesday and Saturday afternoon, on St. John's cricket ground; the Committee to decide on a match beforehand, and put up notice of it on the Hall screens of Trinity and St. John's, and at the Union: he also proposed that the opening match be played on Thursday, October 24th.

Mr. G. L. Bennett (St. John's) proposed that any "Gentile" be allowed to play, provided, of course, he conform to the Rugby Rules.

After a few unimportant motions the meeting separated.

The First Match was played on Thursday, October 24th, and was "Sixth v. School." There were about 16 on each side. For the Sixth W. Lee Warner and Chamberlain played back, J. E. Lloyd and Bourne half-back. For the School, Crawley (Marlborough) and L. W. Novelli played back; P. Hoole and Gwatkin half-back. The match was very even and when "no-side" was called, at four o'clock, the Sixth had obtained two touches down. For the Sixth, Lee Warner (back), E. W. M. Lloyd and Bourne (half-back), and E. N. Ward (forward), were especially conspicuous. For the School, Crawley and Novelli (back), Hoole and Gwatkin (half-back), A. B. Cook and Dixon (forward), played splendidly. The strangers who played were—For the Sixth:—Benson (Marlborough). For the School:—Upcher (Uppingham), Crawley (Marlborough), Lawrence (Wellington), and S. Cook (Cheltenham).

The next Match was "Mayor's v. School," in which the School kicked two goals.

FOOTBALL.

SIXTH MATCH.—Now, perhaps, it will be allowed by those who voted at Big-Side Levée for the Sixth Match on October 19, that they were thoroughly in the wrong. Why they persisted to such an extent in their motion, when plain reason told them that no Old Rugbeians would be present—the day before being the day of meeting for the latest Colleges in either University—every Old Rugbeian was at a loss to understand. However, it is now long past; another epoch in Rugby Football—the Old Rugbeian—is past too, and it is no use grumbling now, but we hope this year will be an example for succeeding generations to avoid. Instead of the old meeting of friends on this annual match-day, about a dozen had, with great difficulty, come down. Being so few, we may as well enumerate the heroes;—for the Sixth, Fisher, Bowen, W. Lee Warner, H. Cook, E. Fulton, A. Cordery, E. Kynnersley, H. Lee Warner, and E. F. Grenfell: for the School, C. S. Dakyns, F. S. Gwatkin, — Brocklebank, E. Wason, — Turner, — Bellis, B. Dakyns, F. A. Dakyns, and G. Yule. The School, according to custom, had the School Goal; the Sixth kicked off. After this the ball was driven down to the Pavilion, and remained not far from the Sixth's goal line for the most part of the afternoon. It

would be tedious to go into detail,—how the Sixth, with great vigour, once or twice nearly succeeded in getting the ball past the three trees; how the School, by overwhelming force, drove it back; and how C. S. Dakyns made many but ineffectual attempts to drop a goal. All this while, however, the School got some more substantial advantage than merely penning the unhappy "Stripes." A capital run-in was effected for them by Tyser (Moberly's). The try, although a very easy one, did not result in a goal. Not long after Yule (O.R.), who had been playing with great vigour, succeeded in accomplishing a like feat, which was attended with the same result. The Sixth were also compelled to touch it down in their own goal six times. On Monday the match was resumed, and a repetition of Saturday's discomfit was too apparent to the Sixth. More tries at goal, more punts out: so went the day, and finished without a goal being kicked. This day is memorable in the annals of the match, since the Sixth, by some good play on the part of their forwards, actually got the ball down to the School goal, where it was touched down by the goal-keepers. The Sixth Match came on again with Thursday: more runs-in, and more tries at goal, were the order of the day. In the last quarter of an hour, owing to a miserable piece of bad play by one of the Sixth backs, the ball was touched down between the posts, and a goal was kicked for the School by Yardley. Thus the match, which everyone hoped would end that afternoon, could now last for two more days. On Saturday, even with more uneven sides than before, play was resumed, and after one more unsuccessful try, a beautiful goal was kicked by Gardner, from a run-in by Tobin *mi.*: thus ended the match, in favour of the School, who had many players, but no one who could be entrusted with kicking a goal; however, practice makes perfect, and the second was perhaps harder than any former try. The Sixth played as well against long odds as could be expected, but were greatly in want of back and half-back players; the School had great power from their number of forwards, and were also assisted by nearly all the best back and half-back players in the School. Of course it is invidious to select any for their good play, but still we may be allowed to praise for their deeds—for the Sixth, Haslam (back), Moberly (half-back), and Davenport, Soutter, Crenshaw, Gray, Rowden and Graham (forwards); for the School,
