NATURAL HISTORY SOCIETY.

A meeting of the Society was held on Saturday, March 6th. In the absence of the President, Mr. Wilson took the chair.

The prize offered by the Society for Natural History Essays was awarded to N. Masterman.

The following donations were received;—*The Marlborough Society's Report* for the half-year ending Christmas, 1868; *The Science Gossip* for March, 1869, from the Rev. T. N. Hutchinson; two pair of Buck's horns were exhibited by N. Masterman; a stereoscopic slide of the Moon by Mr. Wilson.
